

## **Michael Madhusudan Memorial College**

### **Durgapur**

#### **1.3.1: Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum**

MMMC curriculum effectively integrates cross-cutting issues relevant to gender, environment and sustainability, human values and professional ethics and leads to a strong value-based holistic development of students. Various activities are organized throughout the year as part of the curriculum that helps in this endeavor.

##### **1. Gender Sensitivity:**

Students are sensitized and encouraged to work towards gender equity from a cross-cultural perspective. Free counseling services are provided through a Counselling Cell. Gender sensitization camps are organized in slums and rural areas that include, women's rights, human rights, child rights, gender justice, and gender equality.

Community outreach programs that include health and hygiene camps, and village adoption, enable exposure to real-life situations. MMMC annually organizes seminars, conferences, guest lectures, exhibitions, and literary activities that help in gender sensitization.

##### **1. Environment and Sustainability:**

MMMCs strong community-orientated work culture is based on the Sigma-Six Q sustainable way of life, which involves the integration of water quality, air quality, education and healthcare, innovation and human values. A compulsory core course on Environment studies is included in all UG programs. Environment awareness camps, seminars, workshops, guest lectures, industry visits, and field excursions are organized.

Environment Day, Earth Day, and Water Day are annually celebrated. MMMC accords great importance to research in inter-disciplinary areas focused on environmental pollution, education, and healthcare.

##### **1. Human Values and Professional Ethics**

The following activities are conducted which are especially focused on the development of human values and professional ethics:

- a) Quiz Programs are organized to General Knowledge and Current Affairs: (to nurture a scientific temper and be aware of contemporary developments).
- b) Rural Development: (to foster a fuller understanding of rural life by adopting a village by the NSS Department).

- c) Social Service: (to engender the spirit of brotherhood of man and to facilitate the establishment of a casteless and classless society, which is conducted through various Campus and off-Campus activities of the NSS Department.).
- d) Co-curricular Activities (for all-round development of personality)
- e) Environment Studies (for environmental consciousness and its impact on everyday life)
- f) Disaster Management (introduced in the LOCF Curriculum of Geography)
