## Cognizanť

16-Aug-2021

**Dear Rajdeep Deogharia,** B.Sc.(Hons.), Computer Science Michael Madhusudan Memorial College

#### Candidate ID - 17262533

Thank you for exploring career opportunities with **Cognizant Technology Solutions India Private Limited ("Cognizant")**. You have successfully cleared our initial selection process and we are pleased to make you an offer of employment. This offer is based on your profile and performance in the selection process.

You have been selected for the position of Programmer Trainee

During your probation period of 12 months, which includes your training program, you will be entitled to an Annual Total Remuneration (ATR) of INR **251,999/-.** This includes an annual target incentive of INR **12,000** *I*- as well as Cognizant's contribution of INR **19,500/-** towards benefits such as Medical, Accident and Life Insurance. The incentive amount may vary, depending on Cognizant's performance and your performance. The other details about your compensation are detailed in **Compensation and Benefits**. Your compensation is highly confidential and if the need arises, you may discuss it only with your Manager.

On successful completion of the probation period, clearing the required training assessments and subject to you being part of a delivery project, your Annual Total Remuneration (ATR) would stand revised to INR Rs.**284,111/-.** This includes an annual target incentive of INR **12,000/-** as well as Cognizant's contribution towards benefits such as Medical, Accident and Life Insurance, as applicable.

Your appointment will be governed by the terms and conditions of employment as presented in **Employment Agreement**. You will also be governed by the other rules, regulations and practices in vogue and those that may change from time to time.

This offer of employment is subject to your fulfillment of other pre-requirements as detailed in this letter and other communications shared with you.

Please note:

1. This appointment is subject to satisfactory professional reference checks and you securing a minimum of 60% aggregate (all subjects taken into consideration) with no standing arrears in your Graduation/Post-Graduation.

This offer from Cognizant is valid for 3 months and hence you are expected to accept or decline the offer through the company's online portal within this time-period. In case we do not receive any response from you within this time-period, this Offer shall stand withdrawn and will be considered as void. Any extension to the offer validity will be at the sole discretion of Cognizant

2. Prior to commencing employment with Cognizant you must provide Cognizant with evidence of your right to work in India and other such documents as Cognizant may request.

3. Prior to joining Cognizant, you must successfully complete the prescribed Internship or Continuous Skill Development (CSD) program as detailed below:

At Cognizant, we invest in skill and capability development of our campus selects even before they join us. This is through Cognizant Internship and Continuous Skill Development (CSD) program. These programs focuses primarily on technical skills development. You could enroll in either of these as per your college processes while in the final semester and continue with skill building until you join Cognizant. This forms a critical part of your employment with Cognizant. Your onboarding with Cognizant would be prioritized based on the successful completion of same. In event of non-completion of the Internship or Continuous Skill Development program, Cognizant may at its sole discretion revoke this offer of employment.

#### 3.1 Cognizant Internship:

a) Cognizant Internship is for approximately 3 to 6 months based on business skilling requirements. The performance during Internship would be monitored through formal evaluations and rewarded with monthly stipend. The stipend details would be notified upon your registration for Internship.

b) Interns are covered under Cognizant's calendar holidays and need to adhere with attendance requirements and pre-approvals are to be sought towards unavoidable leave or break requests from the program.

3.2 Continuous Skill Development (CSD) Program:

a) CSD program is offered through a platform based engagement model combined with integrated skill assessment and certifications as the CSD program completion criteria. Upon meeting the completion criteria of the CSD program, enrolled candidates would be eligible for a one-time Cognizant CSD rewards post joining Cognizant. The Cognizant CSD reward details would be provided after your enrollment into the program.

b) There would be zero tolerance to malpractices and misconduct during Internship and CSD engagement. Any such misconduct would lead to appropriate disciplinary action including the revocation of this employment offer. Cognizant reserves clauses regarding IT infrastructure, if applicable and access to information and material of Cognizant during the period and could modify or amend the Cognizant Internship and CSD program terms and conditions from time to time.

3.3 GenC Training Post joining:

a) Cognizant continues to invest in skill building of the entry-level talent and GenC training is a formal onthe-job training offered to trainees based on the business specific skilling needs. The terms and conditions of this training will be governed by Cognizant GenC program guidelines.

b) The Cognizant Internship or the Continuous Skill Development (CSD) completion may qualify as the entry criteria to the GenC training and is used as basis towards your allocation to projects/roles.

We look forward to you joining us. Should you have any further questions or clarifications, please log into <u>https://campus2Cognizant.cognizant.com</u>

Yours sincerely, For Cognizant Technology Solutions India Pvt. Ltd.

Maya Sreekumar Vice President – Human Resources

I have read the offer, understood and accept the above mentioned terms and conditions.

#### ANNEXURE - III

### INITIAL INDUCTION PROGRAM

The Talent Transformation team at Wipro grooms campus selects to help them face the challenges of the corporate world.

A holistic 360 degree approach to training is adopted and helps them hone their fundamental computer skills followed by insights into Wipro businesses, process, technology and behavioral skills.

To understand and appreciate the mindset of the young Trainees and ensure that the transformation is smooth, the induction program is done by a team of dedicated professionals who have exposure to the acader corporate sectors alike. Project Readiness Program (PRP) is a training program designed to address the basic learning needs of the Trainees.

### Corporate Readiness Program - CRP

The CRP program is focused on making young Trainees comfortable in a corporate environment. This program starts with a corporate induction.

"PINNACLE" a behavioral skills building training program ensures that the fresh Trainee start feeling at ease in the "corporate world". This activity based behavioral intervention informs the new entrants about the cc work culture and business etiquette.

### Technology Readiness Program - TRP

The technology training provides critical technical skills required to work on projects allocated to Trainees and prepare to face the demands of the project world. We begin doing this by familiarizing with Wipro's bus and work environment.

The methodology of training is "Project Based Learning" (PBL) approach, the entire learning is designed around a series of projects that the recruits are expected to complete individually by learning and applying var topics required to complete the project. Starting with individual projects, the PBL approach ends with recruits working on a team project.
